

## **REMARKS**

## NITED STATES PATENT AND TRADEMARK OFFICE

RE: Serial No.: Patent Application for Bullock

09/886.937

Filed:

6/21/2001

Shaken Not Stirred

Date:

May 24, 2007

Art Unit: 1638

Examiner: Helmer, Georgia

Action:

Amendment After Final

## **REMARKS**

At the request of the Examiner, applicant is providing this Amendment after Final to replace a table originally in the specification on page 19 and submit this chart as Figure 2, as required by 37 CFR §1.58.

If any fees are needed, or if this is No fee is deemed necessary. inaccurately calculated, or if the fees have increased or decreases please also deduct or credit any necessary additional fees from account 07-0190.

Please amend the specification as attached.

Under the brief Description of the Drawing, Figure 2, has been inserted on page 23 at line 6. The chart on page 19 has been deleted and resubmitted as a separate figure, Figure 2, and is attached as a new sheet. The figure is identified within the last paragraph of page 11 which is now amended as attached. No new matter has been added by this amendment.

Respectfully submitted,

Dana Rewoldt, Reg. No. 33
